Crown Prince Offers To be the Scapegoat

(A. P. Special Cable.)

Amsterdam, Feb. 10.—Former Crown Prince Frederick William of Germany has offered to give himself up to the Allies in place of the hundreds of Germans deto the Allies in place of the hundreds of Germans demanded for extradition on the list recently submitted to Berlin, according to a telegram purporting to have come from him published in the Handelsblad, of this city. The telegram is addressed to the Kings of England, Belgium and Italy, the Presidents of France and the United States, and the Emperor of Japan. In it the ex-Crown Prince is represented as saying:

"As the ex-Crown Prince, I wish to take the place of my countrymen. If the Allied and associated Governments desire a victim, let them take me, instead of the 900 Germans who committed no other crimes than to serve their country in war."

MUNICH IS UGLY.

Munich, Feb. 10.—After a meeting of Bavarian Democrats held to-day to protest against the extradition demands of the Entente, several thousand persons formed a procession to the hotel, where a portion of the Entente commission is temporarly residing. The crowd sang: "Deutschland Uber Alles," cried "Down with Francel," and otherwise gave vocal expression to its feelings.

The estimate made of Canada's present population, 8,855,966, when compared with the census figures of 1911, 7,396,855, shows a gain of some 1,660,960, which, in view of the many tricestitudes of the intervening years and the Dominion's heavy losses in the world war, must be considered a healthy growth.
